South African Journal of Communication Disorders | Vol 69, No 1 | a932 | 21 November 2022

## Clinical Perspective

24

Middle ear pathologies in children living with HIV: A scoping review

*Ben Sebothoma, Minkhenso Maluleke*

South African Journal of Communication Disorders | Vol 69, No 1 | a934 | 28 November 2022

## Original Research

31

Ototoxicity monitoring in South African cancer facilities: A national survey

*Katerina Ehler, Barbara Heinze, De Wet Swanepoel*

South African Journal of Communication Disorders | Vol 69, No 1 | a846 | 19 January 2022

## Original Research

41

Audiologists' phenomenographic experiences of professional development during community service in KwaZulu-Natal, South Africa

*Sphilile Mbhele, Musa Makhoba*

South African Journal of Communication Disorders | Vol 69, No 1 | a844 | 21 January 2022

## Original Research

50

Newborn and infant hearing screening at primary healthcare clinics in South Africa designated as National Health Insurance pilot sites: An exploratory study

*Amisha Kanji*

South African Journal of Communication Disorders | Vol 69, No 1 | a840 | 26 January 2022

## Original Research

57

The influence of screen time on children's language development: A scoping review

*Nazeera F. Karani, Jenna Sher, Munyane Mophosho*

South African Journal of Communication Disorders | Vol 69, No 1 | a825 | 09 February 2022

## Original Research

64

The lived experiences and psychosocial impact of hearing loss on the quality of life of adults with Multidrug-Resistant Tuberculosis

*Amanda B. Thusi, Jessica Paken*

South African Journal of Communication Disorders | Vol 69, No 1 | a823 | 14 February 2022

## Original Research

77

Systemic support for learners with developmental language disorders in Zimbabwe and South Africa

*Nettie N. Ndou, Margaret F. Omidire*

South African Journal of Communication Disorders | Vol 69, No 1 | a850 | 18 February 2022

## Original Research

90

A longitudinal community-based ototoxicity monitoring programme and treatment effects for drug-resistant tuberculosis treatment, Western Cape

*Lucia J. Stevenson, Leigh Biagio-de Jager, Marien A. Graham, De Wet Swanepoel*

South African Journal of Communication Disorders | Vol 69, No 1 | a886 | 31 March 2022

## Original Research

103

Communication experiences of healthcare students whilst managing adults with communication disorders

*Vrinda Rathiram, Lauren O. Neilson, Azraa Syed Kassim, Winnie T. Mokone, Caitlin C. Green*

South African Journal of Communication Disorders | Vol 69, No 1 | a870 | 31 May 2022

## Original Research

112

Patient's perceptions of presbycusis and associated tinnitus counselling practices within the KwaZulu-Natal province

*Kerusha Bhojraj, Vuyelwa Z. Peter*

South African Journal of Communication Disorders | Vol 69, No 1 | a868 | 07 September 2022

## Original Research

124

Audiologists' presbycusis and associated tinnitus counselling practices within the KwaZulu-Natal province

*Kerusha Bhojraj, Vuyelwa Z. Peter*

South African Journal of Communication Disorders | Vol 69, No 1 | a869 | 08 September 2022

## Original Research

135

Reflux symptoms and vocal characteristics in adults with non-organic voice disorders

*Nyasa E. Groenewald, Maria du Toit, Marien A. Graham, Carl Swanepoel, Giselle Maartens, Jeannie van der Linde*

South African Journal of Communication Disorders | Vol 69, No 1 | a935 | 26 October 2022

**Original Research****144**

A survey of communication supports in Grade R classrooms in the Western Cape, South Africa

*Harsha Kathard, Prianka Parusnath, Lehana Thabane, Mershen Pillay, Zheng Jing Hu, Jane le Roux, Michal Harty, Shelley O Carrol, Rizwana B. Mallick*

South African Journal of Communication Disorders | Vol 69, No 1 | a871 | 28 October 2022

**Original Research****157**

Exploring swallowing, feeding and communication characteristics of toddlers with severe acute malnutrition

*Casey J. Eslick, Esedra Krüger, Alta Kritzinger*

South African Journal of Communication Disorders | Vol 69, No 1 | a874 | 31 October 2022

**Original Research****167**

Contralateral suppression of transient evoked otoacoustic emissions in adults: A normative study

*Simone Zevenster, Alida Naudé*

South African Journal of Communication Disorders | Vol 69, No 1 | a929 | 08 December 2022

**Original Research****175**

South African speech-language therapists' practices regarding feeding tube placement in people with advanced dementia

*Mariaan Cloete, Esedra Krüger, Jeannie van der Linde, Marien A. Graham, Sarveshvari B. Pillay*

South African Journal of Communication Disorders | Vol 69, No 1 | a927 | 09 December 2022
